Dr. Billy B. Thames, president of the Copiah-Lincoln Junior College District since January, 1968, works constantly for the growth and expansion of both the Wesson and the Natchez campuses. Under his leadership, the college continues to expand programs and to reach into every community within the district.

Dr. Thames has been a leader in Mississippi education since coming to Co-Lin from Belhaven College in 1968. He has served as president of the Mississippi Association of Colleges and as president of the Mississippi Junior College Association. He has served on numerous boards and committees for higher education, including on the Governor's Task Force for Higher Education. Just recently he was named to the board of directors of the Executive Management Institute.

Dr. Billy B. Thames

Dr. Billy Thames is active in the Wesson Lions Club, having served twice as its president. He completed a term as District Governor of the Lions Club in 1983 and was chosen Chairman of the Council of Governors of Lions Club for Mississippi for 1983-84.

He has served in various offices for professional, service, religious, and fraternal organizations.

An active member of Wesson Baptist Church, Dr. Thames serves as chairman of the Board of deacons.

Dr. Thames is married to the former Anne Allen of Monticello and they are parents of three children, Rachel, Rebecca, and William Jr.

The Thames family consists of (l to r) Rachel; William; Dr. and Mrs. Thames; and Rebecca.

Dedication goes to Mrs. Helen E. Mullen

The 1985 TRILLIUM for the Wesson campus is dedicated to—*A lady who graduated from Copiah-Lincoln Junior College with an A.A. degree, from Mississippi University for Women with a B.S. degree, and from the University of Southern Mississippi with a M.S. degree, with additional work from USM and Mississippi College

*The mother of three, Helen Mullen Dowling, Robert Mullen, and Karen Mullen, all Co-Lin graduates

*An employee of Copiah-Lincoln since 1946 in various capacities, including home economics and science instructor, secretary, faculty house hostess, and assistant librarian

*An active member of Copiah-Lincoln Education Association, of Delta Kappa Gamma, a national honorary education society, and of several other professional organizations

*An avid lover of flowers who often helps with campus beautification

*A former president of Copiah-Lincoln Junior College's Alumni Association and a former Alumnus of the Year

*To a fine Christian lady who is active in all phases of her church, Wesson Baptist Church

*A native of Tylertown who has spent her entire adulthood at Co-Lin and in Wesson

ecause of her love for Copiah-Lincoln and her dedication to this institution, the 1985 Trilli-n staff proudly dedicates this volume to MRS. HELEN E. MULLEN.

Seven win Hall of Fame honors

To be chosen to the Hall of Fame is the highest honor that can be given a Copiah-Lincoln Junior College student. The 1985 TRILLIUM presents six graduating sophomores in the thirty-second selection on the Wesson campus and one graduating sophomore in the eighth selection on the Natchez campus. Each was nominated in open nominations, approved by a screening committee of fellow students, recommended by a faculty committee on the basis of character, leadership, and contribution to Copiah-Lincoln Junior College. Dating back to 1954, this year's Wesson campus selections add six to the list of 98 previous winners. The Natchez campus selection adds to 15 chosen since the initiation of the Hall of Fame in 1978.

COPIAH-LINCOLN JUNIOR COLLEGE

WESSON, MISSISSIPPI 39191

We, the editors, hope that in some small way that this year's theme of the Trillium will remind you of the many memories that we have shared here at Co-Lin.

In your days to come, we hope that you will always remember your good friends, the instructors who helped guide you, the administrators who have worked hard to improve the college for you, the activities you became involved in, and all the good times that you will cherish.

We would like to thank Don Jackson for his extra time and effort; Dennis Hogue and Joey Layton for their many hours spent taking and developing pictures; and Trace Clay for his extra help.

Special thanks goes to Burlian Walker for his guidance, patience, and trust with the numerous hours spent working toward our deadlines.

We hope that we have successfully captured all of the many memories for you in this edition of the 1985 TRILLIUM.

"May we all remember—*The Days of Our Lives*."
